View content from your laptop on your HDTV—wirelessly.

Part # F7D4501uk

UPC: 722868814765

View content from your laptop on your HDTV—wirelessly.

One Little Box Does It All

Play Blu-ray™ movies or stream HD Internet content from websites like Netflix®, YouTube® and Pandora® from your laptop to your TV—wirelessly.

Works with Intel® WiDi

Requires a laptop with Intel® Wireless Display powered by select Intel® Core™ processors.

Big Picture

Stream movies with all the impact your state-of-the-art home theater has to offer. Full-HD 1080p resolution gives you high-quality picture with crisp color and sharp detail.*

Big Sound

Dolby® 5.1 surround sound lets you experience your favorite movies with rich, dynamic sound and stream music in concert stereo.*
